

THE PATH TO NETWORK PERFORMANCE NIRVANA

Complexity, user demands and tight budgets cloud your vision, leaving you in a state of unknowing. We can help lift the veil on your network performance – and help you get on the path to nirvana.

riverbed

Think fast:

WEB APPS ARE THREATENING TO OVERTAKE THE ENTERPRISE. BY 2014 48% OF APPS WILL BE WEB-BASED AND 9% WILL BE MOBILE APPS.*

*Forrester Study 2012

ASK YOURSELF

→ Can you see right into the application level, anywhere in your network, from a single vantage point?

→ Can you manage and control your quality of service for any application from that same vantage point?

YES YOU CAN WITH RIVERBED® CASCADE®

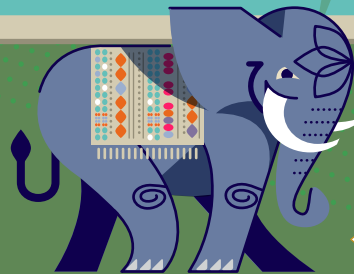

36%

OF BUDGET
