

## **Von Roll honoured as world market leader**

Breitenbach, March 10, 2021 – As a pioneer and specialist in electrical and thermal insulation and due to its leading, technical know-how, the Von Roll Group was officially awarded and included in the World Market Leader Index for the first time. The World Market Leader Index is set up in cooperation with the University of St. Gallen and the Academy of German World Market Leaders (ADWM) according to scientific selection criteria.

The Index is published annually in the German business magazine "WirtschaftsWoche". For the first time, companies from Switzerland were also included in the Index and Von Roll was awarded in the "Alpine Champions" category due to its leading, technical know-how.

CEO Dr. Christian Hennerkes says: "We are proud to belong to the selected circle of world market leaders. After the company went through a long transformation process, we have refocused on our strengths in the field of electrical insulation. With our products, we are supporting the energy and mobility revolution worldwide and in this way contributing to an emission-free future. Special thanks goes to our employees, whose expertise and passion have helped us to achieve this leading position in our industry!"

**About Von Roll Holding AG:** *As a Swiss industrial company, Von Roll Holding AG focuses on products and systems for power generation, transmission, storage and distribution. Von Roll is a global market leader for electrical insulation products, systems and services and has a worldwide presence in 14 sites with around 1,000 employees. The company supplies customers in over 80 countries.*
